

South St. Jamestown 1 and 2 Community Safety Meeting

A Community Safety Meeting is an inclusive process that is reflective of resident and community concerns and suggestions. This forum is designed as a collaborative engagement tool where residents, TCHC staff and Toronto Police Service can inform, update, share information and discuss community Safety. It is a synergistic process which allows for everyone to get involved in creating a neighbourhood that is viable, sustainable, healthy and safe.

Together, we can make our communities safer!
