RE: APPLICATION FOR A CANNABIS RETAIL STORE AUTHORIZATION

Little House Cannabis
307 WELLESLEY ST E
TORONTO, ON M4X1H2

File Number: 948524

To Whom it May Concern:

Thank you for having taken the time to share your comments about the proposed cannabis retail store identified above. We wish to advise you that the Registrar has considered your submission along with others received in response to this store's application.

As we have stated in our materials about the Public Interest Notice process, the *Cannabis Licence Act, 2018* and its Regulation allow the Registrar to consider the following matters related to public interest when making a decision as to whether or not to authorize a cannabis retail store:

1. Protecting public health and safety
2. Protecting youth and restricting their access to cannabis
3. Preventing illicit activities in relation to cannabis

After carefully considering all of the available information, the Registrar has determined that issuance of the cannabis *Retail Store Authorization* for the above noted premises is not contrary to the public interest.

All owners and operators of cannabis retail stores are subject to the provincial [Cannabis Licence Act, 2018](#) and its [Regulation](#), and the AGCO's [Registrar Standards](#).
