

Seeking a Volunteer Treasurer

St. James Town Community Arts (formerly Reaching Out Through Music), a small charitable organization based in St. James Town, seeks a Volunteer Treasurer to join its board. A financial background is essential (CPA preferred). The successful candidate will join a small but growing organization that offers free music and arts education to the children and youth of St. James Town, a densely populated, multicultural community that is home to thousands of low-income newcomers to Canada. We believe in arts education as a means to elevate the human condition, bringing joy, solace and opportunities in challenging times.

The successful candidate will work with our outgoing Treasurer (and continuing Executive Director) to ensure a smooth transition. We are seeking applicants with the appropriate background who are enthusiastic about our mission. In addition to providing financial oversight, the new board member will be encouraged to engage in ongoing planning and fundraising activities with other board members. The position would be suitable for civic-minded individuals with some spare time, possibly retired or semi-retired professionals. Preference will be given to locally based applicants.
